

Hello,

Firstly we'd like to thank you for your custom and secondly we've put together a little note to introduce ourselves!

We are a family fish & chip business, established in Whitley Bay back in the 1920s and currently have a restaurant and takeaway on Marine Avenue at Whitley Bay seafront. Our business has been built on 3 basic principles:

- To buy the best quality ingredients
- Look after our customers
- Provide value for money

I'm sure many of you were very fond of Brian's great fish & chips and will be sad to see him retire. However, rest assured he's left you in good hands! Not only will we provide you with the quality you've been used to but we'll strive to improve your experience wherever possible!

At Pantrini's we value your feedback, should you have any comments you can make them known to us via our website at www.pantrinis.com or in our customer comment book at the shop.

We really appreciate your custom and look forward to getting to know you all. As a token of your continued support we're conducting an introductory offer:

Collect a stamp every time you spend over £5 and, once you've collected 5, we'll give you free chips with any main meal you purchase — ask our staff for further details.

Many thanks,

Lee, Sarah, Heather and all the staff at Pantrinis
